*my.*Scouting Tools

Accessing *my.*Scouting Tools

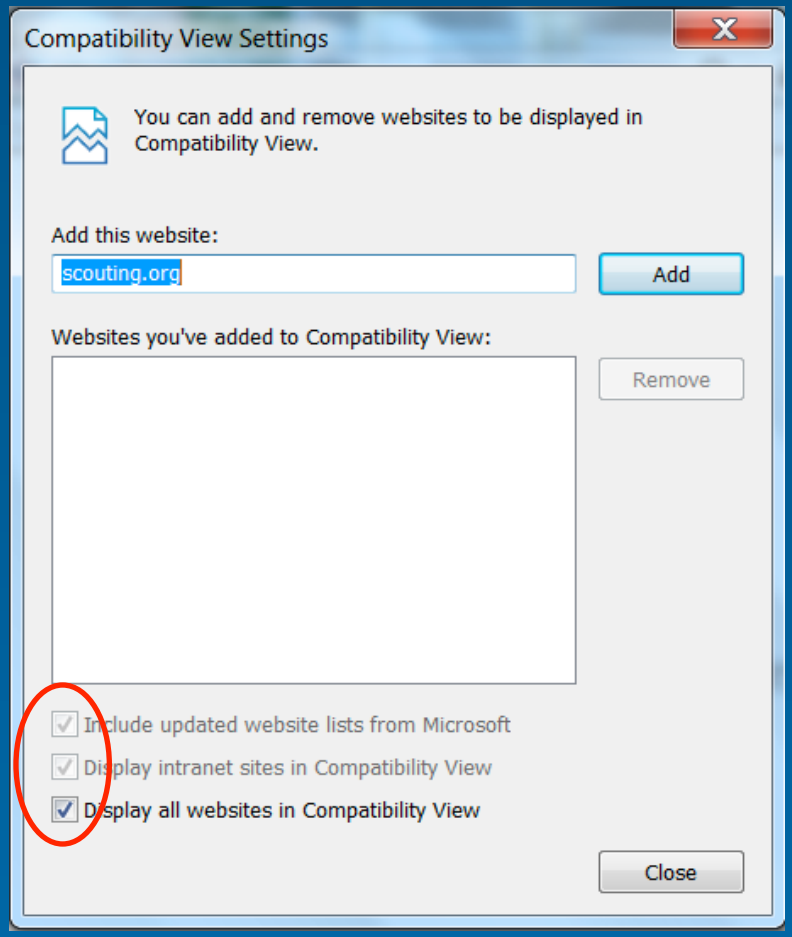

my.Scouting Tools is best experienced using Firefox 14 or greater, Google Chrome 21 or greater, Apple Safari 6 or greater, and Internet Explorer 9.0 or greater.

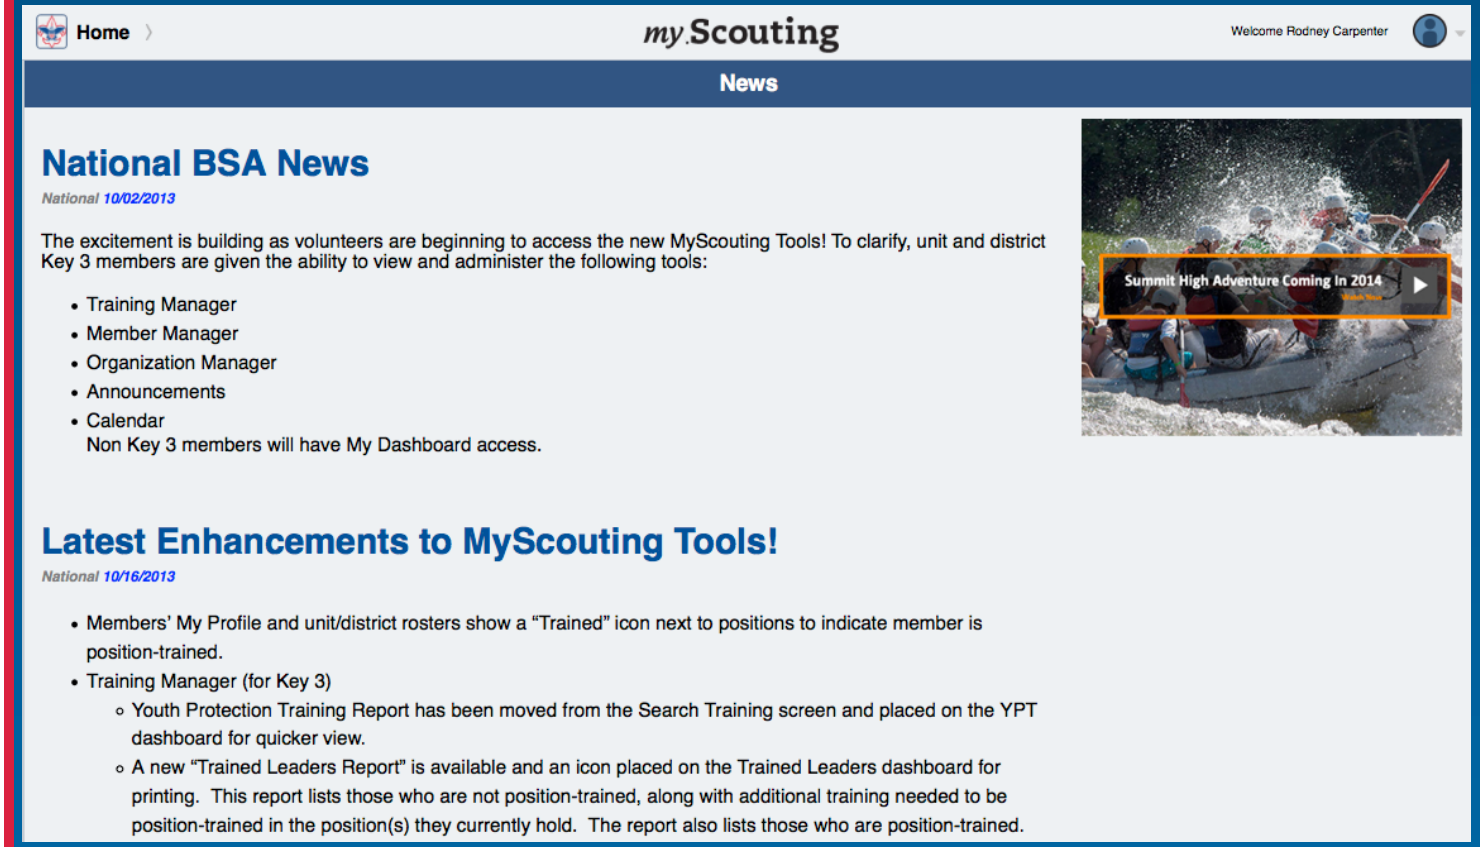

To log in to *my*.scouting.org enter your current myscouting user name and password. If you don't have an account, click Create Account and you will be redirected to myscouting.org to create one. If you've forgotten your username or password, click on the respective link and supply the required information. You may also log in by clicking the Sign In button in the upper right corner.
NOTE: If you just created a myscouting account please allow 30 minutes for the accounts to synchronize before logging in to *my*.Scouting.

If you are on IE 9 and my.Scouting login page does not display, it means that your computer's Compatibility Mode is turned on. To turn it off, go to your toolbar at the top of the page and click the "Tools" option. If you don't see this toolbar, right click at the top of the screen and make sure "Menu Bar" has a check by it. After you click "Tools", choose "Compatibility View Settings" from the list.

At this window, you will need to uncheck all three boxes. Once that is completed, click “Close”. Your Internet browser will refresh and take you to the *my*.Scouting Tools login page.

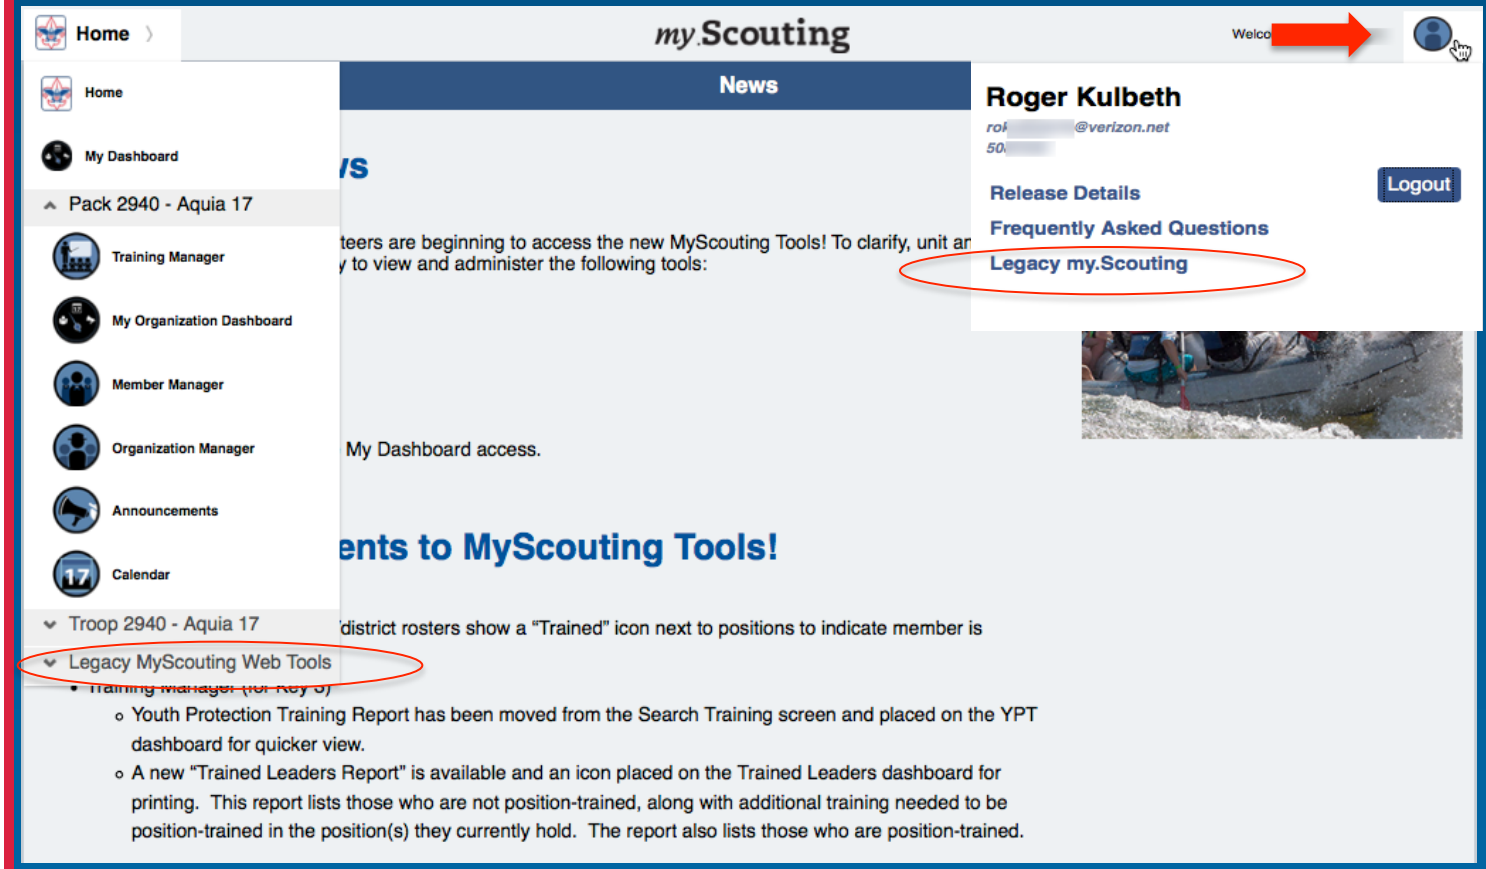

Upon successful login, a News section displays detailing the latest enhancements and information pertaining to *my*.Scouting Tools, along with other Scouting news.

To get started, select Home at the top. A drop-down menu appears with tool icons to select. Non-key 3 volunteers will only see the My Dashboard and My Organization Dashboard tools. Unit and district Key 3 will see other administrative tools.

NOTE: Instructions are available for each tool by selecting the question mark in the lower right corner of the screen within the tool. A PDF document will download that you may save or print.

To access the current myscouting.org application, scroll down to the bottom of the drop-down menu list and select Legacy MyScouting Web Tools. Or, click the Sign In button at the top right and select it from the list. The system will redirect you to the MyScouting login page. Links for Release Details and FAQs are also available.

For questions or concerns regarding my.Scouting Tools, please contact the BSA National Support Center at: my.Scouting@scouting.org
