

LEGACY OF LEADERSHIP

GULF STREAM COUNCIL • SCOUTING AMERICA

2025 IMPACT REPORT

Building Character. Developing Leaders. Strengthening Communities.

Thanks to the generosity of our donors, volunteers, and community partners, Gulf Stream Council continues to prepare young people to make ethical and moral choices over their lifetimes by instilling the values of the Scout Oath and Law.

BY THE NUMBERS

Every contribution creates opportunities for youth to discover their potential, develop leadership skills, and serve their communities.

3,934 YOUTH SERVED	1,716 DEDICATED VOLUNTEERS	172 SCOUTING UNITS

SERVICE IN ACTION

Scouts throughout our communities worked to address local needs through conservation projects, food drives, park improvements, veteran support initiatives, and countless acts of service.

The annual **Scouting for Food** campaign alone collected thousands of pounds of food, helping local families while teaching Scouts the importance of community responsibility.

LEADERSHIP FOR LIFE

Scouting provides hands-on experiences that prepare young people for future success. Through outdoor adventures, service projects, merit badge programs, and leadership opportunities, Scouts develop:
